

## PASSPORT RT-L

### ENGINEERING

- 3.5-liter, 24-valve DOHC V-6 engine with direct injection and Dual Variable Timing Control (VTC)
- 285 horsepower @ 6100 rpm (SAE net)
- 262 lb-ft of torque @ 5000 rpm (SAE net)
- Intelligent Variable Torque Management™ (i-VTM4®) all-wheel-drive system
- 7-mode drive system (Normal/ECON/Snow/Tow/Sport/Trail/Sand)
- Trail Torque Logic
- Variable Cylinder Management™ (VCM®)
- Active Control Engine Mount System (ACM)
- Active Noise Cancellation™ (ANC)
- Eco Assist™ system
- Drive-by-Wire throttle system
- LEV4-ULEV70 CARB emissions rating<sup>35</sup>
- Direct ignition system with immobilizer
- 10-speed automatic transmission with paddle shifters
- Shift-by-wire technology
- Idle-stop system
- Remote engine start
- Electric parking brake with automatic brake hold
- Hill descent control
- Hill start assist
- MacPherson strut front suspension
- Multi-link rear suspension
- Agile Handling Assist®
- Trailer stability assist
- Front and rear stabilizer bars
- Electric power-assisted rack-and-pinion steering (EPS)
- 18-inch Shark Gray alloy wheels
- P265/60 R18 110H all-season tires

### SAFETY & DRIVER-ASSISTIVE FEATURES

- Collision Mitigation Braking System™ (CMBS™) with Advanced Pedestrian Detection (Honda Sensing® feature)
- Forward Collision Warning (FCW)<sup>9</sup> (Honda Sensing® feature)
- Road Departure Mitigation System (RDM)<sup>4</sup> (Honda Sensing® feature)
- Lane Departure Warning (LDW)<sup>10</sup> (Honda Sensing® feature)
- Adaptive Cruise Control (ACC) with Low-Speed Follow<sup>12</sup> (Honda Sensing® feature)
- Lane Keeping Assist System (LKAS)<sup>11</sup> (Honda Sensing® feature)
- Traffic Jam Assist<sup>11</sup> (Honda Sensing® feature)
- Auto high-beam headlights (Honda Sensing® feature)
- Blind Spot Information System (BSI)<sup>14</sup> with cross traffic monitor (Honda Sensing® feature)
- Low-Speed Braking Control<sup>26</sup> (Honda Sensing® feature)
- Parking sensors (front and rear) (Honda Sensing® feature)
- Traffic Sign Recognition System (TSR)<sup>58</sup> (Honda Sensing® feature)
- Driver attention monitor (Honda Sensing® feature)
- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA)<sup>5</sup> with traction control
- Multi-angle rearview camera with guidelines<sup>7</sup>
- 4-wheel disc brakes with ABS and Electronic Brake Distribution (EBD)
- Brake Assist
- LED Daytime Running Lights (DRL)
- Tire Pressure Monitoring System (TPMS)<sup>6</sup> with Tire Fill Assist
- Advanced front airbags
- Driver's and front passenger's knee airbags (SRS)

- SmartVent® front side airbags
- Side curtain airbags with rollover sensor
- 3-point seat belts at all seating positions
- Seat-belt reminder for all seating positions
- Rear seat reminder (RSR)
- Lower Anchors and Tethers for Children (LATCH)

### FEATURES

- Leather-trimmed seats with cloth accents
- Heated front seats
- Driver's seat with 10-way power adjustment, including power lumbar support
- Front passenger's seat with 4-way power adjustment
- Two-position memory for driver's seat and side mirrors
- Driver's and front passenger's lower seatback pockets
- Leather-wrapped steering wheel
- Automatic-dimming rearview mirror powered by MyQ
- White ambient LED lighting
- Programmable power tailgate
- Smart Entry system with Walk Away Auto Lock® (front doors and tailgate)
- Heated body-colored power side mirrors with integrated LED turn indicators, memory and reverse-gear tilt-down
- Acoustic windshield
- LED headlights with auto-on/off
- Variable intermittent windshield wipers
- Intermittent rear window wiper/washer
- Rear privacy glass
- Cargo bins and underfloor storage
- Programmable remote entry
- Push button start
- 10.2-inch digital instrument cluster
- Tri-zone automatic climate control system with humidity control and air filtration
- Power windows with auto-up/down driver's and front passenger's window
- Power door and tailgate locks
- Maintenance Minder™ system
- Center console with armrest and storage
- Tilt and telescopic steering column
- Fold-down 60/40 split rear seatback
- Rear-seat center armrest with beverage holders
- Beverage holders (11 total)
- Carpeted floor mats
- 12.3-inch color touchscreen with volume knob, customizable feature settings and smart shortcuts
- HondaLink®<sup>23</sup>
- Wireless Apple CarPlay®<sup>16</sup> compatibility
- Wireless Android Auto™<sup>17</sup> compatibility
- Google built-in<sup>74</sup>
- Alexa Built-In<sup>75</sup>
- Wi-Fi® hotspot capability<sup>30</sup>
- HondaLink® Subscription Services<sup>24</sup> including remote engine start
- USB-C Smartphone/Audio Interface<sup>2</sup> and charging port (60 watts total; front console)
- 12-volt power outlet (front console and cargo area)
- 225-watt audio system with 9 speakers, including subwoofer
- Bluetooth®<sup>1</sup> streaming audio
- Bluetooth®<sup>1</sup> HandsFreeLink®
- HD Radio™<sup>19</sup>
- Wireless phone charger<sup>52</sup>
- Radio Data System (RDS)
- Two 2nd-row USB-C charging ports (60 watts total)
- Speed-Sensitive Volume Compensation (SVC)
- Illuminated steering wheel-mounted controls
- Illuminated driver's and front passenger's vanity mirrors
- Driver's and front passenger's sliding sunvisors
- Conversation mirror with sunglasses holder
- Gloss black roof rails

- Rear window defroster with timer
- Security system
- Capless fuel filler
- Exterior temperature indicator

## PASSPORT TRAILSPOUR

Adds to or upgrades RT-L features:

- Synthetic leather-trimmed seats with orange accent stitching and TrailSport front-seat logos
- Leather-wrapped steering wheel with orange stitching
- One-touch power panoramic moonroof with tilt feature
- All-season floor mats with TrailSport logo
- Power-folding heated gloss black power side mirrors with integrated LED turn indicators, memory and reverse-gear tilt-down
- Variable intermittent windshield wipers with heated wiper zone
- Orange ambient LED lighting
- Off-road-tuned suspension
- Underbody skid plates (engine and fuel tank)
- Recovery hooks (front and rear)
- 18-inch matte Shark Gray alloy wheels
- P275/60 R18 113T all-terrain tires
- Integrated Class III trailer hitch with 7-pin connector
- 115-volt power outlet (2nd row and cargo area)
- LED fog lights
- Compass
- TrailWatch™
- Perforated, leather-trimmed seats with contrast stitching and accents, and black piping
- Heated and ventilated front seats
- Heated outboard rear seats
- 700-watt Bose<sup>70</sup> premium sound system with 12 speakers, including subwoofer
- Tri-zone automatic climate control system with humidity control, air filtration and 2nd-row controls
- Rain-sensing windshield wipers with heated wiper zone
- Puddle lights
- Auto-dimming, power-folding heated gloss black power side mirrors with integrated LED turn indicators, memory and reverse-gear tilt-down
- Acoustic windshield and front-door glass
- Hands-free access power tailgate with walk away close
- Smart Entry system with Walk Away Auto Lock® (all doors and tailgate)
- White ambient LED lighting
- Heated, leather-wrapped steering wheel with orange stitching
- Front lower seatback pockets including device pockets
- Driver's and front passenger's upper seatback pockets
- Carpeted floor mats
- Integrated 2nd-row sunshades

## PASSPORT TRAILSPOUR ELITE

Adds to or upgrades TrailSport features:

- 18-inch gloss black machine-finished alloy wheels
- Multi-View Camera System (MVCS) with front camera washer

1. The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
2. The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
4. Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
5. VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
6. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
7. Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle.
8. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
9. FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
10. LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
11. LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
12. ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision.
14. The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
16. Apple CarPlay is a registered trademark of Apple Inc.
17. Android and Android Auto are trademarks of Google LLC.
19. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
23. Check the HondaLink® website for smartphone compatibility.
24. HondaLink Subscription Services come with complimentary trials of Security for one year and a Remote/Concierge trial for three months. Enrollment is required to access the Remote/Concierge trial and to access certain features of Security. At the end of each trial period, purchase of a subscription is required to continue the respective services.
26. Low-Speed Braking Control may not detect all objects in front of or behind the vehicle. Accuracy will vary based on weather, speed and other factors. Driver remains responsible for safely operating vehicle and avoiding collisions.
30. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance.® Requires AT&T data plan.
35. LEV4-ULEV70 (Ultra-Low-Emission Vehicle) models as certified by the California Air Resources Board (CARB).
52. Honda wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
58. TSR cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations.
70. Bose is a registered trademark of Bose Corporation.
74. Google, Google Play, Google Maps and other related marks and logos are trademarks of Google LLC.
75. Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates.
